

Open Water Swimming Events

By Greta van Meeteren

Our swimming friends to the north of us (New Jersey) will be holding a night lake swim in Lake Hopatcong, July 26-27. This is a new event and it is sanctioned through WOWSA (World Open Water Association).

Quote: *"It will be a very fun and cool (with all the glow lights) unique open water swim experience! The planned course is 13.1 miles with 7 check-in points at which the swimmer's kayak escort will select a playing card. Best hand wins! We'll also give awards for speed."*

There is a pre-event BBQ & post-event breakfast buffet. Maximum swimmer count is 30 participants, and relays are welcome. For more information, [Click here to read more](#)
