

The 39th Annual Sunbelt Meet in Charlotte, NC

By Greta van Meeteren

Our competitive season is off to a rousing start! The Sunbelt Meet in Charlotte was once again a great success.

With his permission, I'd like to include the comments of former collegiate swimmer Ted Greve, who attended this meet as his first Masters meet.

"The Sunbelt Meet, in my opinion, was the best run swim meet I have ever been to. The information was timely, organized and complete leading up to the meet. The meet itself was run smoothly and without delay. The estimated event start time sheet was extremely helpful, and the post meet results were not only timely but complete including times, splits, placing, et cetera of every participant. Beyond all of that, the meet was fun and gave a good opportunity to interact with fellow swimmers. This was my first Sunbelt Swim Meet, but I intend to try to make it a annual event for me. Great job and thank you."

We are extremely fortunate to have a very dedicated meet director in Jerry Clark, who will go out of his way to make people feel comfortable and keep them informed of what is going on in the meet.

Clarke (Mitch) Mitchell swam no less than 3 national records in the men 80-84 age group:

50 Back	old record: 37.39	new record: 35.29
50 Fly	old record: 35.10	new record: 34.33
100 Back	old record: 1:25.00	new record: 1:21.16

Diann Uustal (age group 65-69) set a new national record in the 200 back:

old record: 2:50.17 new record: 2:42.67

Congratulations to these two wonderful swimmers!
The new NC records will be announced in the next newsletter.
