

Updated SCY, LCM, and SCM North Carolina records

***By Hans van Meeteren,
Top Ten Recorder***

Updated SCY, LCM, and SCM North Carolina records have recently been posted on our LMSC web site. If you notice any errors please let me know. Some of you have been really helpful getting errors corrected that otherwise may be in the records file "forever".

Within the next two weeks or so the preliminary USMS SCM Top 10 rankings will be posted on the USMS web site. Go to Events & Results and then to Top 10. Potentially there are over 10,000 entries on the list. This makes it very difficult for me to find errors, so if you notice an error please let me know.
