

Upcoming Pool Meets in August 2012

2012 NC Long Course Meters Meet - August 18 and 19 Triangle Aquatic Center, Cary, NC ([note, this meet was cancelled](#)) This meet is being hosted by Raleigh Area Masters

Steve Barden Memorial Pool and Open Water Meet - September 15. As always, registration information is on the NC Masters Website.

Please do not delay registering for these meets until the last minute. If not enough participants register in a timely fashion, meets may be canceled. That would be a loss for the entire NC swimming community.
