

From the Results, Records, and Top Ten Recorder - by *Hans van Meeteren*

New North Carolina Short Course Yard records have been posted. Please click here <http://www.ncmasters.org/nc-scy-records.html> or <http://www.ncmasters.org/nc-scy-records.pdf> for the records . If your find that corrections are needed let me know so they can be included before the Spring Nationals. Please provide links to meet results where appropriate.

A large amount of records, highlighted in yellow were already set this year. With so many NC swimmers attending Nationals, this may become a record breaking year of record breaking swims.
